On behalf of the Newport Beach 1st Battalion, 1st Marines Foundation we would like to invite you to the **Second Annual Newport Beach 1st Battalion, 1st Marines Foundation Beach Challenge**.

The relationship between the City of Newport Beach and 1/1 began in 2003 when the City “adopted” 1st Battalion, 1st Marines, to assist these Marines and their families.

The various physical events that comprise the Beach Challenge mirror what Marines use to maintain the highest levels of strength and endurance conditioning. Similar events are used during training to help prepare Marines for scenarios they may encounter while deployed overseas. Although our version may not make you into a Marine, you will certainly feel as tough as one when you cross the finish line. For more info on the event, please visit our website OneOneMarines.com.

***The Beach Challenge will take place on Saturday, January 21, 2012
on the beach at the Balboa Pier, Newport Beach CA.***

Proceeds from the event benefit The Newport Beach 1st Battalion, 1st Marines Foundation, a non-profit 501 (c) (3) organization and they are used primarily to assist family members of the Battalion, especially the families of younger enlisted men with unexpected expenses while their Marines are away on deployment. Donations made to the 1/1 Foundation are considered to be tax deductible in accordance with IRC 170(c)(1) TaxId: 27-2756685.

For the residents of this community to express their gratitude and appreciation to those who go forward to defend our Country's ideals and interests, in such a personal way, goes way beyond making some sort of political statement, and the Marines know it.

These Marines will face many challenges and difficulties as they fight for our freedom. Their individual futures remain uncertain, but one thing they know is that they can count on our continued support. Your thoughts and prayers for their safety and your generous support for their families at home will allow them to fully focus on their assigned combat missions.

Thank you for your continued support. Semper Fi,

Newport Beach 1st Battalion, 1st Marines Foundation
